

COVID-19 - isolation rooms

Dear students,

We would like to inform you that were created more isolation rooms at University Fernando Pessoa.

At this moment there is an isolation room in each Building:

- At the entrance of the Faculty of Science and Technology/Faculty of Human and Social Sciences' Pedagogical Building;
- Floor 0 of the School of Health Sciences (at the end of the corridor on the right side);
- Faculty of Health Sciences' Administrative Building (atrium of the old pharmacy - entrance via the exterior stairs).

If you have an epidemiological link and symptoms (fever, cough or difficulty breathing)* and you are at the University's premises, you must immediately inform a teacher or staff who will activate the contingency plan, and you will be accompanied by a detached professional to one of these locations, where you must contact the Portuguese National Health Service (SNS) phone line 24 (808242424) and follow the instructions you will receive.

*According to the Portuguese Health Directorate-General, a suspicious case is one that meets all of the following criteria:

Clinical criteria

and

Epidemiological criteria

Acute respiratory infection (fever or cough or trouble breathing) requiring or not requiring hospitalisation.

A history of travel to areas with active community transmission within 14 days prior to the onset of symptoms

or

Contact with a confirmed or probable case of SARS-CoV-2/COVID-19 infection within the 14 days prior to the onset of symptoms

or

Being a health professional or having been inside a health facility where COVID-19 patients are being treated
